

LA COUNTY GOLF SYSTEM

COME PLAY IN OUR BACKYARD

LOS ANGELES COUNTY GOLF

Offering you 17 facilities with 19 courses

Did you know that the Los Angeles County Golf System is the largest municipally owned golf system in the nation? L.A. County Golf Courses feature a variety of beautiful and interesting settings from the foothills of the San Gabriel Mountains to the coastline overlooking the Pacific Ocean, for less than \$22 per course on weekdays and less than \$29 per course on weekends and holidays. The courses range from short, level layouts – perfect for beginners – to more difficult courses with water hazards, mountains, gullies, and undulating greens and fairways – perfect to challenge the more experienced golfer.

Additionally, L.A. County Golf Courses are junior golf friendly. All courses offer junior rates and the “orange tee” program

for junior golfers. Free Junior Golf Clinics are available through the L.A. County Junior Golf Program, which was created to

provide juniors (18 years and younger) with a no cost opportunity to experience golf. For more information about the L.A. County Junior Golf Program, please call (626) 821-4648.

Banquet facilities, driving ranges, practice putting greens, golf lessons, and equip-

ment rentals are available. And, league, tournament and corporate outings are offered at competitive prices.

For fees, discount rates, tee time reservations, amenities and hours of operation, please contact the individual golf course pro shop. Make sure you ask about the senior discounts. Reservations are accepted as early as one week in advance starting at 5:00 a.m on weekends and holidays, and 6:00 a.m on weekdays, by phone or in person.

L.A. County Golf is a Division of the L.A. County Department of Parks and Recreation and under the direction of the L.A. County Board of Supervisors. Each course is operated by a group of talented golf industry professionals under a lease management agreement.
